Acidic Water Neutralizers

Residential

Acidic Water Neutralizers

Better Water's acidic water neutralizers are the most cost effective ph neutralizers on the market!

Eliminate corrosion and green staining in your home with one of our chemical free water ph neutralizers. Acidic water increases leaching from metal piping and causes green or blue stains while reducing the life of all water using appliances.

Standard Features

- Additional life of water heater, dishwasher, metal faucets
- Chemical Free and back-washable
- Maintenance Free
- Quality equipment and Installation
- Neutral and balanced water
