

BETTER WATER LLC

The Select Series Water Softener Residential

The Select Series Water Softener

The Select Series water softener, by Better Water LLC, is the absolute best choice when it comes to improving your water. Exceeding the industry standards with the latest technology and digital volume demand, the Select Series will save you water, salt, and money. They are designed and built to provide your home or business with years and years of soft, clean, enjoyable water! It's evident in the spot free dishes, brighter & softer clothes, improved water heater efficiency, longer life of water using appliances, reduced detergent usage, and no more lime build-up.

Standard Features

- Minimal moving parts for reliability
- Higher flow rate, less pressure drop
- Volume demand regeneration
- Digital control retains memory
- NSF certified & WQA validated
- Multi layered fiberglass tanks
- High quality resin

Solutions. Service. Support.
