Single Tank Bicarb, Central Mix & Delivery

- Better Water LLC has two different sized models based on your individual needs:
 - 60 Gallon Tank
 - 100 Gallon Tank
- Both provide an effective means to mix and distribute bicarbonate solution for use in hemodialysis applications.
- A wall-mounted Header provides the connection point to the distribution loop.
- Simple operation via a wall-mounted control box.

60 Gallon Bicarb

100 Gallon Bicarb
